Santa Clara County Population
Population on Public Assistance

1. Per Census, individuals ages 17 and under are considered children. For consistency purposes, both Santa Clara County and Public Assistance population definition of adult and children are base on age.

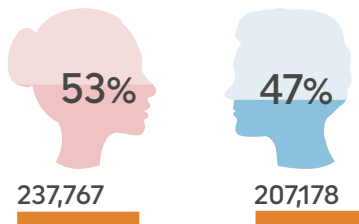

2. According to the Office of Management and Budget (OMB), and as used by the Census Bureau, the concept of race reflects self-identification by people according to the race or races with which they most closely identify. These categories are socio-political constructs and should not be interpreted as scientific or anthropological in nature. The minimum race categories are determined by OMB and required for use in all federal information collections.

CalWORKs PROGRAM NARRATIVE

Highlights Program Updates

About CalWORKs

CalWORKs is a program that helps eligible families become self-supporting through temporary cash aid (CalWORKs) and assistance in finding and keeping a job (CalWORKs Employment Services (CWES)).

Who Qualifies for CalWORKs?

CalWORKs benefits are provided to eligible families that have a child(ren) in the home who has been

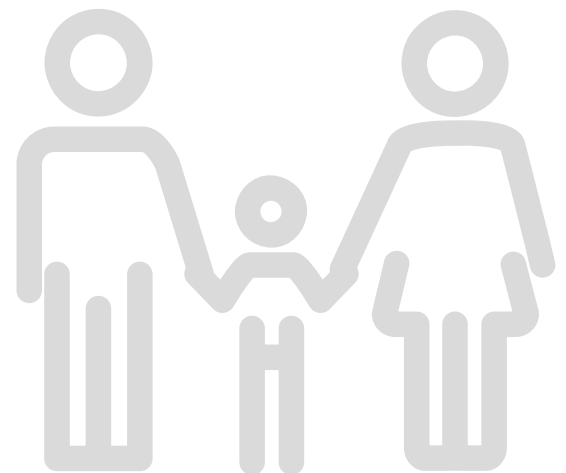

- deprived of parental support or care because of the absence, disability or death of either parent
or
- families with a child(ren) when both parents are in the home but the principal earner is unemployed

Children are eligible until their 18th birthday. Eighteen-year-old individuals may continue to be eligible if they are full-time high school students or the equivalent, and expected to graduate before their 19th birthday. Pregnant or parenting teens (under the age of 18) must live with their parent(s) or other appropriate relative in order to receive CalWORKs.

Benefit amounts are dependent on the family's income, family size and certain expenses.

CalWORKs Employment Services (CWES)

CalWORKs Employment Services provide a child care, job search guidance, transportation, and other support to help parents become self-sufficient. As part of CalWORKs recipient, certain households require one or both parents to participate in this program.

About CalFresh

The CalFresh Program, federally known as the Supplemental Nutrition Assistance Program (SNAP), issues monthly electronic benefits for food purchase. Food may be purchased at any authorized place that accepts EBT cards such as grocery stores, and farmers markets. The amount of benefits a household receives is depending on household size, countable income, and monthly expenses, such as housing and utilities.

Who Qualifies for CalFresh?

A household can be one person, a group of people, a family, or any combination of people that buy and prepare food together. Children living with their parents are considered part of the same household until the age of 22.

Cash Assistance Program for Immigrants PROGRAM NARRATIVE

& Highlights Program Updates

About Cash Assistance Program for Immigrants

Cash Assistance Program for Immigrants (CAPI) is a fully state-funded program designed to provide monthly cash benefits to aged (65 years or older), blind, or disabled non-citizens who are ineligible for Supplemental Security Income/State Supplementary Payment (SSI/SSP) solely due to their immigration status.

Who Qualifies for Cash Assistance Program for Immigrants?

Immigrants who are either qualified aliens or Permanent Resident Under Color of Law (PRUCOL) aged 65 or older, disabled, or blind, and do not qualify for SSI Disability benefits due to their immigration status may qualify for CAPI. Benefit varies on person's living arrangement, income, and marital status. Individuals must reside in California with income less than the CAPI standard and resources below \$2,000 for individual and \$3,000 for couples.

Refugee Cash Assistance PROGRAM NARRATIVE

& Highlights Program Updates

About Refugee Cash Assistance

Refugee Cash Assistance (RCA) is part of the federal Refugee Resettlement Program (RRP). It provides financial assistance to people admitted to the United States (U.S.) as refugees. Adult refugees without minor children and refugee families that do not qualify for CalWORKs may be eligible to receive RCA benefits during the first 8 months of residency in the United States.

Who Qualifies for Refugee Cash Assistance?

To be eligible for RCA benefits, refugee families and adult refugees without children must fit into at least one of the following categories: individuals and couples with no minor children, families that are not CalWORKs eligible (i.e., unemployed less than 30 days and have resided in the U.S. less than 8 months), pregnant women in the first two trimesters of their pregnancy (i.e., six months or less), trafficking victims, persons granted asylum.

PROGRAM NARRATIVE

Highlights Program Updates

March 3 2022

Caregiver Pandemic Assistance Funded through the California Budget Act of 2021 is a supplemental foster care or Kin-GAP payment, as applicable, to the caregiver on behalf of the child or youth in their care for increased care and supervision needs of the child or youth related to the COVID-19 pandemic. (ACL 22-17)

About Foster Care

The purpose of the Foster Care (FC) Program is to provide financial assistance for children who are in need of substitute parenting and have been placed in out-of-home care.

Foster parents work with social services staff to determine the type of child best suited for their home (i.e., age, health issues, and gender). Foster parents receive a monthly payment to feed, clothe, and meet the material needs of the children placed in their care. Medical and dental coverage is provided through the Medi-Cal program.

Who Qualifies for Foster Care?

Children under 18 years of age who cannot live with their birth parents and require temporary out-of-home care.

Highlights Program Updates

March 3 2022

Caregiver Pandemic Assistance Funded through the California Budget Act of 2021 is a supplemental foster care or Kin-GAP payment, as applicable, to the caregiver on behalf of the child or youth in their care for increased care and supervision needs of the child or youth related to the COVID-19 pandemic. (ACL 22-17)

About AAP and KinGAP Programs

Adoption Assistance Program

The Adoption Assistance Program (AAP) is a federal program of financial assistance for adoptive children. AAP helps families with eligible children meet the financial, medical, and other essential needs of adopted children through the Social Services Agency or independent state operated adoption programs. The amount of Adoption Assistance benefit is based on the needs of the child at the time the Adoptive Placement Agreement is signed.

Who Qualifies for AAP?

Adoption Assistance Program

Children 0-18 years are eligible if an AAP Agreement has been signed prior to completion of adoption or at the time of adoptive placement as well as Non-Minor Dependent (NMD) adoptions between the ages of 18 to 20 years old. Youths between 18 and up to 21 years old are eligible for continuing AAP if determined to have a documented mental or physical condition or are participating in the extended adoptions program.

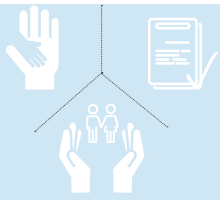

Kinship Guardian Assistance Payment

The Kinship Guardian Assistance Payment (Kin-GAP) Program serves children exiting the foster care system that enter a guardianship with a relative. The Kin-GAP Program offers financial assistance and other support services such as Medi-Cal for a child who is placed with an approved relative legal guardian. Factors such as the child's needs and the relative guardian's circumstances, along with the continuation of any other applicable rates (such as the specialized care increment, teen parent rate) received while in foster care, are factored into the Kin-GAP.

Who Qualifies for Kin-GAP?

Kinship Guardian Assistance Payment

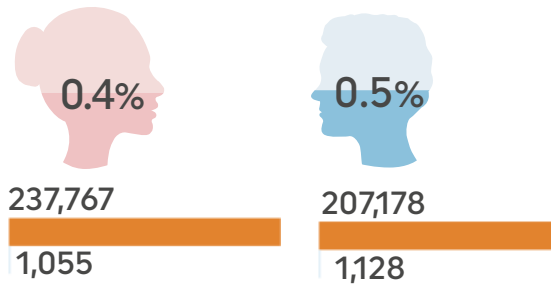

The foster child or youth should have resided with the approved relative caregiver for at least six consecutive months prior to establishing guardianship. Legal guardianship must be established with the relative caregiver through the juvenile court. The prospective relative guardian must enter into a written binding agreement containing the terms and conditions of the guardianship with the county child welfare, tribal agency, or probation department. The written agreement must be signed prior to becoming the legal guardian and dependency must be dismissed by the juvenile or tribal court.

Glossary

0-Parent HH (CalWORKs): A zero-parent household is typically made up of at least one child who receives cash assistance but the ineligible parent(s) or non-needy relative caretaker does not.

2-Parent HH (CalWORKs): A two-parent household is typically a mother and father, with the primary wage earner being unemployed. They have at least one child. For a family of four, they receive benefits up to \$800 (\$891, if unemployable).

AAP: Adoptions Assistance Program

All County Letter (ACL): California Department of Social Services generate ACL containing changes in policy from state level once it is implemented

All Other HH (CalWORKs 1-Parent): Typically a one-parent household made up of a single mother and at least one child. They receive grants up to \$542 (\$606, if mother is unemployable). (Older versions of this report referred to "1-Parent Households." The organization of data in the CalWIN system prompted this terminology change.)

CalWORKs: California Work Opportunity and Responsibility to Kids

CalWORKs Timed-Out (Safety Net): The CalWORKs program that entitles eligible children to remain on aid after the parent(s), aided non-parent caretaker relative, or aided stepparents have been discontinued from the budget due to the 48-month CalWORKs time limit. The adult recipient is removed from the Assistance Unit once the 48-months of CalWORKs is reached.

Net Cases Required to Participate in

Welfare-to-Work Plan: This column shows, by city, the net result of factoring the active CalWORKs cases, minus the CalWORKs cases where they are either not eligible, or exempt from Employment Services participation. This column is the pool of CalWORKs cases that must participate in an activity and they are used to determine the federal participation rate.

Non-MAGI Medi-Cal: provides health care to all groups who were eligible for Medi-Cal before healthcare reform including aged, disabled, blind, long term care, refugee, confidential youth medical services, and families with children. The income limits for Non-MAGI Medi-Cal vary according to family size and program category.

Not Eligible/Exempt From Employment

Services: A count by city of CalWORKs cases where there is no adult receiving cash aid and aid is provided only for the children. These cases occur when a relative is taking care of the children while the parent is away, when a parent has been sanctioned for Employment Services non-participation, non-needy caretakers, or when the parent is not eligible for cash aid or to work.

The adjacent column shows the count, by city, of cases where there is an adult in the case, and the parent is exempt from participation from CalWORKs Employment Services because the child is less than one year of age. Adults in that category may choose to volunteer for Employment Services.
