

Children in SARC, STRTP & THP Placements

Reporting Period: 3/31/2021 - 2/1/2022

The report has two sections.

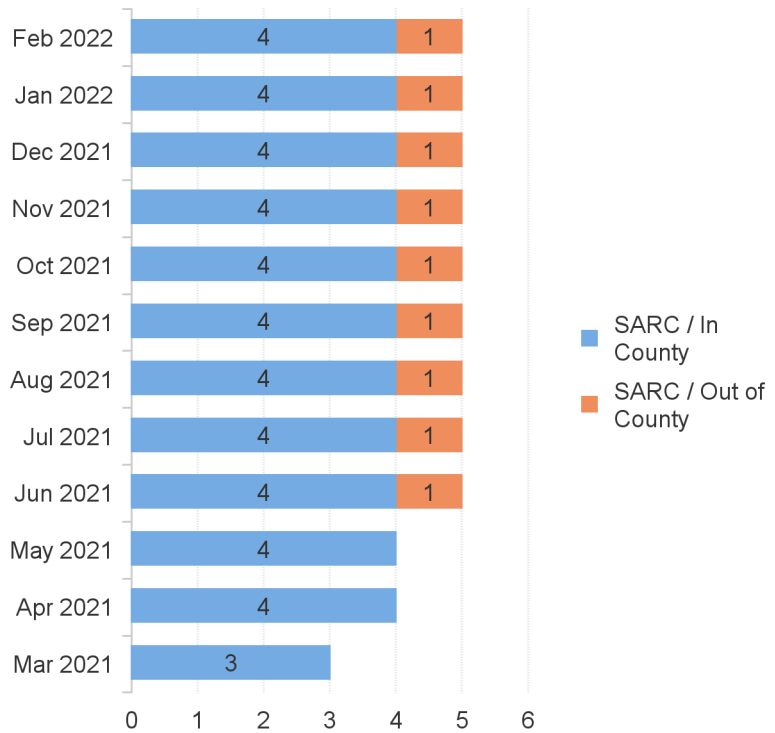

The first section includes SARCs, STRTP and THP/THP-FC placements for the past 12 months. The second section includes the placement types, placement home names, and placement location (county) for the most current month.

* Please note that the report has been revised as of May 2021 and the data for prior months are now more accurately reflected.

* Please note that the child counts may vary from prior reports. The reports are refreshed with the most current information available.
