Child Safety Information
Megan’s Law
The purpose of Megan’s Law is to provide the public with internet access to detailed information on registered sex offenders. The law expands access and allows the public to use their personal computers to view information on sex offenders required to register with local law enforcement. The law is not intended to punish offenders and specialty protects using the information to harass or commit any crime against an offender.
Access the database to check for offenders in your area www.meganlaw.ca.gov/Search.aspx

Oliver’s Law
The purpose of Oliver’s Law is to allow parents to review the safety of the childcare program or facility. To encourage parents to evaluate the program’s ability to meet the needs of their child, licensed childcare facilities are required to present complaint information to a parent when asked. This gives the parent the provider an opportunity to discuss sensitive issues, including changes that have been made in response to a complaint. It also gives providers a chance to tell their side of the story.
Access the database to review the files of the licensed child care provider you are interested in www.cdss.ca.gov/inforesources/Community-Care-Licensing/Facility-Search-Welcome

WHAT IS CALFRESH FOOD?

• CalFresh Food (known federally as Supplemental Nutrition Assistance Program or SNAP) helps people with limited income to buy healthy food.
• CalFresh Food is a nutrition program not a welfare program.
• CalFresh Food benefits are deposited in an Electronic Benefit Transfer (EBT) card. It works just like a bank debit card. EBT cards can be used at most grocery stores and farmers’ markets.

WHO CAN GET CALFRESH FOOD?

• The amount of CalFresh Food a household receives is dependent on household size, countable income, and monthly expenses, such as housing and utilities.
• You may be eligible to receive CalFresh Food even if you have earnings, are unemployed, retired, receiving Social Security Income (SSI), or other benefit programs such as CalWORKs or General Assistance.
• To qualify, at least one household member must be an eligible immigrant or citizen. That person can be a child.
• Single individuals and couples without children may be eligible to receive CalFresh Food.
• College students may be eligible to get CalFresh Food if they meet student requirements and are otherwise eligible.
• If you get SSI (Supplemental Security Income) you may qualify for CalFresh Food, if otherwise eligible.

WHAT ELSE SHOULD YOU KNOW ABOUT CALFRESH FOOD?

• You can own your home and car, and have savings and still be eligible. You do not need to report CalFresh Food on your tax return.
• CalFresh Food is not a loan. You do not need to pay back benefits that you receive, unless you are overpaid.
• If you are 60 years of age or older, homeless or disabled, you are eligible to purchase prepared meals at certified restaurants in Santa Clara County.

INSIGHT CENTER FOR COMMUNITY ECONOMIC DEVELOPMENT
Self-Sufficiency Standard Tool for California

The California Family Economic Self-Sufficiency Standard (Self-Sufficiency Standard), quantifies the costs of basic needs for California’s working families. Many policymakers, advocates, services providers, foundations, and families use the Self-Sufficiency Standard to make informed decisions on working family issues. It measures the minimum income necessary to cover all of a non-elderly (under 65 years old) and non-disabled individual or family’s basic expenses - housing, food, child care, health care, transportation, and taxes - without public or private assistance.

The California Self-Sufficiency Standard is available for all 58 counties across the state. This tool allows you to look up the Self-Sufficiency Standard for a specific county and household type in California.

COALITION AGAINST PAYDAY PREDATORS (CAPP) / PUBLIC INTEREST LAW FIRM

The Coalition Against Payday Predators (CAPP) operates during the holiday season and beyond to educate residents about the pitfalls of payday lending, while offering alternatives. CAPP encourages substitutes to payday lending, such as reconsidering spending, borrowing from a credit union, seeking assistance from nonprofit agencies, dealing with debt head-on, and proactively saving money. CAPP, and allied partners in California, also advocates for stronger consumer protections for payday loan borrowers, in addition to changing local land use policies that limit the prevalence of payday lenders.
